

IndiaWelds 2019

CREATING SUSTAINABLE WELDING EXCELLENCE through INDUSTRY – ACADEMIA SYNERGY

21st NOVEMBER, 2019 | VENUE: *Le* MERIDIEN, GURGAON, DELHI NCR

THEME

Creating Sustainable Welding Excellence through Industry – Academia Synergy

About the Event

This is for the first time that stakeholders of the welding sector will be given a platform to understand interventions needed for the growth of the sector.

The day long programme will focus on the issues that each stakeholders face with regard to skilling, knowledge exchange, issues in production, moving towards Lean manufacturing and Industry 4.0.

Objectives and Take Aways

The scientific and engineering principles behind welding must replace the art of welding for it to achieve its potential as a preferred state-of-the-art manufacturing process.

Participants shall be able to

- ▲ Identify specific interventions needed by each group to boost growth
- ▲ Identified interventions to be charted out and worked upon
- ▲ Share best practices and benefit
- ▲ Preparing both Industry and Academia for Industry 4.0
- ▲ Various programme in silos to come together on a common platform

Who Should Attend?

Industry| Academia| OEM|
Associations| Govt. Agencies|
PSUs related to welding sector

Delegate Fee

Industry | INR 2,500*

ABOUT INDIAWELDS

IndiaWelds or SMICPL is a DIPP, Govt.of India Recognised StartUp that is working to *Make Technology Adoption Easy*.

IndiaWelds is a platform to build a systematic and continuous support system to the welding and manufacturing industry for the enhancement of the welding and manufacturing sector.

We work to measure the skill and the knowledge gap and devise methods to decrease that gap for healthier industry.

Through various activities, we work to put innovations and existing technologies to the best use.
